To Whom It May Concern -

To begin, we appreciate your position in making such judgments.

We want you to know about us. Having a great desire to share of God's goodness through His *WORD*, we are thankful for the opportunity to broadcast by way of television. We are a small congregation: having nine (9) adult members, two (2) of which are disabled. Yes, as you can probably tell, we would struggle to meet the financial demands of such a responsibility. And the additional cost for "*Closed Captioning*" would be burdensome. Therefore, we request to be exempt from the "Closed Captioning" rule.

This request is put before you in all sincerity.

Sis Lethia Newton
Church Secretary

As set forth, I do affirm the above to be true and is verified by my signature this 28 day of September, 2007.
